

The Napanee & District Chamber of Commerce has been pleased to provide visitor information and membership services since 1995. Over that time our organization has enjoyed an excellent relationship with Marlin Financial our local Chambers Insurance representative.

Providing cost savings opportunities to Chamber members is a necessary feature in developing our membership base and the Chambers Plan is an important part of our member incentive package.

I have been a part of the Napanee & District Chamber of Commerce for 10 years and have been pleased to work with both Brad Way and Brian Patterson of Marlin Financial. Both are community minded individuals who have participated actively in our organization providing valuable input and with our Chambers Insurance partnership they have developed a significant revenue stream for our small organization.

We have had a long standing and beneficial relationship with Marlin Financial and I am pleased to offer this note of endorsement. I have no doubt the Marlin Financial team will do what is necessary to provide professional cost effective services to your members on behalf of the Chambers Insurance Plan and I am confident they will become a valuable partner of your organization.
